Please Note - All Microphones, Instruments and equipment marked " F " are shared between studio 1&2 but special requests can be made to reserve any particular requirements for sessions if necessary. Also we pride ourselves in keeping all of our equipment & instruments in well maintained fully working order, but as with all vintage and new gear it can be temperamental or fail suddenly for which we cannot take any responsibility. That being said we employ excellent techs and have more than enough choice to make sure your session runs smoothly.
